

Female Cigarette to 2-Pin Power Cable

Tactical Support Equipment Inc. pioneered the use of standardized locking connectors on commercial-off-the-shelf equipment. For years our power cables have been used in the most demanding and harsh environments around the world. We offer these cables in various lengths and with integrated adapters designed to work with standard automotive cigarette lighter plugs, car chargers and associated mobile power adapters.

Part #: TSE-F-CIG-2PIN

Tactical Support Equipment Inc. Female Cigarette to 2-Pin Power Cables are made with Tajimi brand connectors. Female Cigarette to 2-Pin Power Cables are available in standard 6 ft. length. Custom lengths are available upon request.
